➤ About the Camp

Summer Gymnastics and Ninja Kids! Camp focuses on developing the motor skills necessary for all athletic movement. By exposing campers to a range of movement activities, they gain the strength and coordination needed for skill development. And of course we do all this while having fun!

Camp costs \$200 per week for half day and \$375 per week for full day. Camp begins each day with an obstacle course followed by gymnastics and ninja instruction. Campers then break for snack, craft and some fun & games. After lunch, afternoon camp focuses on mainly athletic instruction and, of course, some more fun!
